ABOUT US

Anwar Al Quds (AAQ) is an independent family owned trading house that deals in machinery and construction equipment. Our legacy dates back for over 40 years in business, supplying our clients across geographies with all their heavy equipment needs. Today, we pride ourselves to be one of the most recognized names in the industry.

FLEET

Leveraging on our large facilities we continuously stock an extensive fleet of all equipment categories including:

**Earthmoving & Construction
Equipment**

**Road Equipment
& Compaction**

**Agricultural
Equipment**

**Forklifts & Material
Handling**

**Welding Machines,
Generators & Compressors**

**Scaffolding
& Props**

IN-HOUSE OPERATIONS

We conduct all our maintenance operations in house leveraging the expertise of our experienced engineers and skilled mechanics. Our fleet goes through a rigorous inspection process that includes hundreds of checkpoints.

QUALITY ASSURANCE

We source our fleet globally and conduct thorough research on every piece of equipment we procure to improve the after sales experience of our clients. Buying a piece of equipment from us guarantees high performance and minimal downtime.
